Today we took part in a world record attempt! We joined schools from across the country to all read within a 12 hour slot.

We joined a national webinar with author Rashmi Sirdeshpande and illustrator Nakul P, listened to their story, discussed the themes and joined a draw-along!

We have registered our reading to see if we become world record holders!

Volunteer Vault
Used by volunteers in your community

Our Eco council children where very curious to know what the Volunteer vault was that has recently been placed in our carpark. Gareth from Bolton council kindly explained the purpose of the vault and told the children that the vault will store lots of equipment and resources needed to help keep our park and surrounding areas clean and tidy.
A special code will be shared with our community volunteers who will be able access the equipment. We were very privileged to hear Haslam Park Primary and our parents will also have access to this vault and its contents.

1.10.26
Year 5/6
Poetry showcase.
Year 5 and 6 held a poetry showcase to share their haikus and cinquains with their families. Some children performed their poems!

‘Performing my poem made me feel confident. I’m really proud of myself because I’ve not done anything like this before.’ Monika.

Jeans For Genes Day
25.9.26

We wore denim to raise money for Jeans for Genes. We raised over £10 as a class for this important cause.

Alvan - "We are raising money for people with genetic disorders and their family members. The disorders might mean their everyday life is effected or they may even die early."
