Early Years

Year 4VP enjoyed a 'Booknic' this afternoon. It was lovely to see so many parents attending and taking the opportunity to read with their children. We listened to stories, read with our friends and read with adults.

Some lucky Year 2 children had the opportunity to enjoy a Woodland experience at Bolton School. They had great fun doing a minibeast hunt,listening to a story about bugs and exploring the lovely woodland area. They did Haslam Park proud displaying excellent behaviour and great manners 😊

Today we have discussed VE Day (Victory in Europe) which happened on 8th May 1945. It marked the end of the Second World War in Europe. We reflected on what happened and how people felt at the time. We looked at some photographs taken at the time.
